# PRESIDENT'S REPORT

The Board has had another impressive year in terms of what it has managed to achieve for Badminton North Harbour.

One of the strengths of a governing body is to always be looking to improve the fortunes of the organisation it serves. No matter how good an organisation is performing there is always room for improvement and the need to prepare for future eventualities (whether planned, or otherwise).

What most of our members will not see is the time and effort which your Board members put into working on these issues. One of the obvious issues which we have been working on, for some considerable period, is the need for more court space. We have had many false starts and, to be honest, do not have a solution to this problem at this point in time. This is a matter which is foremost in our minds. It is discussed at every Board meeting (and, often, in between meetings). We have a Board subcommittee which focusses on this issue and our CEO Glenn Cox is in constant contact with all of the important parties, potential partners etc. Sourcing further court availability which is in the appropriate localities, and is cost effective, is not an easy task (as you can imagine). In addition, there are certain frameworks which are imposed upon us (by funders, Council etc.) and we need to find ways of making ourselves fit into the necessary criteria to make ourselves eligible, to the greatest degree possible, for whatever possibilities might arise.

In addition, the Board has to be “across” all of the other aspects of the operation of the association. While Glenn and his team do an amazing job of the day to day management of these issues, the Board has to ensure that we have the appropriate resourcing (which is not

only financial) for everything from management of the Association’s facilities, to organisation of our competitions, ensuring that we have the best available players available to form the best teams to take part in provincial and national competitions, ensuring that we have pathways in place for our elite players to reach the highest possible level, ensuring that our non-elite players also have the ability and opportunity to play at their best possible level, administration and officiating of the sport, etc. Of course, a primary driver for all of those issues is our ability to finance these activities on an on-going basis (both short-term and long-term).

Your Board is made up of people with a variety of skills and experience. It is the combined efforts of those people who maintain Badminton North Harbour as the preeminent Badminton Association in New Zealand, continuing the good work which has been carried out by Boards in the past.

This year’s Board is no exception to the above comments. They worked incredibly hard and well together to continue the good fortunes of Badminton North Harbour. Particular credit and thanks must go to Karen Blank who has taken on the position as Chair of the Board with enthusiasm, great dedication and leadership.

I am looking forward to an exciting and successful year to come for our great organisation.

# CHIEF EXECUTIVE'S REPORT

Welcome to our 2018 annual report. It has been another busy year with more people playing and enjoying our sport.

2018 has seen a continuation of successes, both on and off the court. Strong bookings have seen our venues at Bond Crescent and Apollo Drive under pressure to accommodate the ever-increasing demand from our community to play badminton. Strong club membership alongside card holders and the community's casual players have seen record numbers through these facilities, participating in tournaments, representative teams and domestic competitions.

Badminton North Harbour would like to welcome our new naming right sponsor and partner, Harcourts Cooper & Co. We have entered into a fantastic agreement with one of North Shore's leading community supporters. Harcourts Cooper & Co is a proactive community based real estate company whose presence in our community is second to none. They are at the forefront of North Harbour sport and contribute to a vast amount of community sporting organisations. We are really excited to have Badminton North Harbour associated with them. I would like to thank Martin, Rosie and the Harcourts Cooper & Co team for all their support and look forward to a great relationship moving ahead.

Once again, we have had a strong year with results and a number of firsts. A number of North Harbour players were selected to represent New Zealand in various age groups and senior international tournaments. Abhinav Manota, Oscar Guo, Edward Lau, Dylan Soedjasa and Maika Phillips represented New Zealand in the Victor Oceania Men's Team Championships, while Anona Pak, Gaea Galvez and Justine Villegas represented New Zealand in the Victor Oceania Women's Team Championships. Abhinav also represented New Zealand at the World Championships held in China in August and Oscar represented New Zealand at the Youth Olympic Games held in Argentina in October. Oscar Guo, Shaunna Li and Edward Lau have also travelled to Canada as part of the New Zealand junior team to compete at the World Junior Championships.

Our players once again achieved great success at National Championships with Harbour winning the singles, men's doubles, women's doubles and mixed doubles titles. Oscar Guo achieved a triple crown at the Yonex New Zealand u19 Championships while Shaunna Li won the girls singles at 15 years of age. Our representative teams once again had an enjoyable season. Our Division 1 team featured on Sky TV and finished second at the Yonex Division 1 & 2 Championships. Our Division 3 team won their national competition and Division 4 won their North Island competition. Our Masters 1 and 5 teams won their North Island competitions and the North Harbour u19 team took out first place at the Yonex Team Championships.

We are extremely fortunate to have such a great team at Badminton North Harbour and I would like to take this opportunity to thank them all. Fanny Megahwati, our Coaching Manager and her team of coaches, keep our players developing across all age groups. Abhinav Manota's knowledge and enthusiasm amongst our development programs keeps opening pathways for many aspiring players. Lisa Schmidt's ongoing

passion to our association and sport keeps delivering domestic, national and international competitions to a high level of excellence. Annabelle Galvez, our Secretary, tirelessly commits to ensuring our office and its administration runs smoothly. Karen Willins, our Accounts Manager and longest serving Harbour staff member with over 25 years with the association, keeps all the books balanced and in order, enabling us to be most efficient and on track. Justine Villegas, our Retail Manager keeps our shop and bar area operating at the highest level making sure all customers are well looked after. Last but not least is our maintenance man, Neville Howell, who ensures the venue is in tip top shape for everyone to enjoy. A special big thanks not only from me but all our badminton community to these valued people and their hard work.

With the continuing challenge of sponsorship and funding I would like to make special mention of all organisations that, without their support, we simply could not deliver the facility and programs we do. Harcourts Cooper & Co, The New Zealand Community Trust, Foundation North, Lion Foundation, Auckland Council including Devonport Takapuna, Kaipatiki, Hibiscus Bays and Upper Harbour Local Boards, Pub Charity, NZ Racing Board, Roland Jeffrey Physio, Broderick Print and Four Winds. A huge thank you is extended for all your support. It is truly appreciated by our badminton community and makes us who we. We are very grateful.

To the Board of Badminton North Harbour thank you for your passionate and proactive commitment to our organization. Your assistance continues to provide great governance and assists me to oversee a great facility with opportunities for all badminton players through-out our community. Special thanks to Karen Blank our Chairperson, and Chris Davis our President, for their ongoing support and encouragement.

Last, but not least, thank you to our badminton community. We hope you have enjoyed your badminton this year and look forward to being of service to you again in 2019.

2019 is already shaping up to be another busy year and behalf of everyone here at Badminton North Harbour, have a safe and happy Christmas period. We look forward to seeing you all again next year.

# CHAIRPERSON'S REPORT

This is my first report since taking over as Chairperson of the Association from Kerrin Harrison at the end of last year. I would firstly like to thank Kerrin on behalf of Badminton North Harbour for his commitment and dedication and am pleased that he still remains a member of the Board. His knowledge of our great game and his business experience and expertise are truly invaluable.

This year has been awesome. Due to the success of our inaugural fund-raising Gala Dinner together with grants and sponsorship we have been able to generate a pool of money that has gone towards assisting our young and upcoming players achieve their dreams. As a result, a number of our leading juniors have benefited and have been able to gain valuable experience playing in major competitions overseas. It was great to see many of our players proudly representing our Association and New Zealand:

*Youth Olympic Games (Buenos Aires, Argentina)*

Oscar Guo

*Total BWF World Championships (Nanjing, China)*

Abhinav Manota

*BWF World Junior Tournament (Toronto, Canada)*

Shaunna Li, Oscar Guo and Edward Lau

*Asia Pacific u19 Team Championship & Australian Junior International (Perth, Australia)*

Oscar Guo, Shaunna Li and Joshua Feng

*Sydney International (Sydney, Australia)*

Abhinav Manota, Anona Pak, Maika Phillips, Justine Villegas,

Alyssa Tagle, Shaunna Li, Nicco Tagle and Fransisca Rahardja

*South Australia International (Adelaide, Australia)*

Abhinav Manota, Anona Pak, Maika Phillips, Oscar Guo,

Justine Villegas, Alyssa Tagle and Nicco Tagle

I recently watched Oscar Guo on Sky TV playing at the World Youth Olympics, where he won a silver medal in the badminton team relay. Being seen at such high-profile events is testimony to the hard work being put in by our players and coaches and in particular our Coaching Manager, Fanny Megahwati.

Kerrin Harrison has written in previous years about the history surrounding our badminton centre. I wish to pay homage to the people who gave of their time and expertise so freely to build the facilities that today are now the envy of other

associations throughout the country. This has been further recognised with Harcourts Cooper & Co coming on board as our naming rights sponsor.

These days as everyone will I'm sure be aware, we are struggling with the lack of courts at peak times. As part of Badminton North Harbour's strategic plan moving forward the Board are considering all facility options to ensure we can cater for the growing numbers in our sport. Regional Councils all agree that there is a major shortage of indoor facilities on the North Shore and indeed all of Auckland. There have been studies completed with regards to existing facilities and how we progress to develop new ventures. Badminton North Harbour is involved in all these discussions and we are hopeful of an outcome that can be achieved with all affected sports working together.

It has been a privilege to lead the association this year. I am also grateful for the opportunities to play badminton myself and to come into contact with some wonderful people who not only share the enjoyment of our game but also put themselves forward as volunteers to coach, umpire or serve on club committees. These people take pride in our association, respect our facilities and give their time freely so we can all enjoy the game we love.

I would like to thank our Chief Executive Glenn Cox and his dedicated staff at Badminton North Harbour for all their support, passion and commitment towards the smooth running of our wonderful Badminton Centre. And finally thank you to my fellow board members for their efforts, dedication and vision.

I trust you all have an enjoyable and restful holiday break. I look forward to seeing everyone back on the court, fresh and invigorated in the New Year.

# COACHING MANAGER'S REPORT

It has been another good year for North Harbour's badminton players and teams. During the 2019 season, representatives have been busy with inter-association events in seniors, masters, veterans and super-veterans. Junior and senior representatives have also been involved in a number of national and international tournaments. A number of our players achievements in 2019 deserve recognition.

Abhinav Manota, New Zealand representative and North Harbour Development Officer, qualified for the TOTAL BWF World Championships 2018 in Nanjing, China. The experience gained from an event such as this is second to none and will be very helpful in future tournaments. Abhinav also won the New Zealand National men's singles title and Oceania men's single title.

North Harbour junior, Oscar Guo has recently finished his campaign at the Youth Olympic Games in Buenos Aires, Argentina. Oscar finished his men's singles campaign with a one win, one loss result which didn't allow him to progress. There was however the exciting prospect of being in an international eight-person team with an event called Team Relay. Oscar's team, Omega had a fantastic campaign and finished the event in second place, earning the team silver Youth Olympic medals. Other achievements for 2018 have been at the New Zealand u19 Championships, winning the men's singles, doubles and mixed doubles titles. Traveling as a member of the New Zealand Junior Team, Oscar also won the 2018 Australian Junior International men's singles.

We have three players representing New Zealand travelling to the World Junior Championships in Canada. Oscar Guo, Edward Lau and Shaunna Li will play a team event followed by the individual championships.

Anona Pak, winner of the Massey University Academy of Sport Sportswoman of the Year Award, paired up with North Harbour's Fransisca Rahardja in the Crown Group Australian Open 2018 and reached the quarter finals which is a great achievement. Anona also won the women's doubles title at the Yonex New Zealand National Championships with partner Christine Zhang.

Wisden Cup this year followed a new format of 5 matches per tie. Our division 1 team finished second behind a strong Waikato team. Division 3 and 4 won their divisions as did the Masters 1 team, for a third consecutive year. Masters 5 who played in division 5 will be promoted to division 4 in 2019 after winning their division.

Each year we have a training camp at the end and beginning of the season. This camp is open for players from other associations should they wish to participate. This is a five-day camp, training three times each day, emphasising on fitness, technique and improving skills. This will run from 10-14 December 2018 and 21-25 January 2019.

Our major junior event for the year is the New Zealand Junior Team Championships in Palmerston North. This year we sent seven teams including two teams of u13 age players which is positive for our development. North Harbour won the u19 team event and came runner up in the u17, u15 and u13 age groups, while the u13 II team won the second division event.

North Harbour junior players have achieved well in tournaments during 2018. Jaden Mingoa won the boys doubles and was runner up in the boys' singles and mixed doubles at the Yonex New Zealand u13 Championships. Shaunna Li showed that she is a rising player by winning the u17 and u19 girls singles and runner up in the u17 and u19 mixed doubles at this year's age group championships. Ricky Cheng has improved significantly, winning the New Zealand u17 boys singles title and was runner up in the boys' doubles. Equally making good gains is Nelson Zhang who came runner up at the Yonex New Zealand u17 Championships in the boys' doubles and mixed doubles.

I would like to introduce our new coach, Hanna Yun from Korea. She will assist in the coaching of our squads to help with technical aspects of the training ready for 2019.

I would like to thank all parents, staff, coaches, players and stakeholders who have helped during 2018. Without them we would not be achieving the results we have and creating an Association that is moving forward with our successes. The North Harbour badminton community is very strong and supportive, for which I thank you.

# DEVELOPMENT OFFICER'S REPORT

## **BWF Shuttle Time Coach Course:**

Badminton North Harbour is going to run its first BWF Shuttle Time coach course. So far, we have received more than 10 teachers from different schools wishing to participate in this course. The Shuttle Time coach course is where the attendee becomes trained to deliver Shuttle Time to children in a school or club setting. This is a practical coaching course, helping new and experienced coaches to plan and deliver fun badminton lessons to pupils aged 5-15 years old. Shuttle Time also offers free teaching resources, which include: teachers manual, 22 lesson plans and 92 supporting video clips.

BWF Shuttle Time lessons are designed to provide children with a positive image of badminton through many opportunities to have fun, engage with others and experience success.

## **Benefits of Shuttle Time Lessons:**

- Boys and Girls can play together
- Accessible – indoor & outdoor
- Mass participation in small spaces – 20+ children in the space of one court
- Build fundamental physical skills
- Suitable for children with physical disabilities or learning difficulties

These lessons are designed to focus on fundamental skills and is aligned with the NZ curriculum. The programme itself has a range of different options available, and programmes can also be developed to cater for a school's specific needs.

## **Primary Schools:**

Badminton North Harbour ran Shuttle Time Programmes at a number of primary schools. We were able to deliver a five-week programme to Glamorgan School with more than 500 children having the chance to experience our sport. This year Orewa Primary School came on board and we designed a three-week programme specifically for them. Other Primary schools involved with Badminton North Harbour were Kristin School, Campbells Bay, Pinehurst School to name a few. During the year we were pleased to see these kids attending our Clubs, Holiday Programmes and After School Programmes.

## **Intermediate Schools:**

BNH has worked with number of Intermediate Schools throughout the year delivering taster and skills sessions. We helped some of the schools organise their teams that competed in North Harbour's Intermediate School League. Following these visits many students took up the opportunities to be involved in further Badminton North Harbour programmes. All intermediate schools we have delivered sessions to have shown great potential. We will look forward to working with them again next year.

## **Secondary Schools:**

This year we have had great success delivering sessions to a number of Secondary Schools. Badminton North Harbour has worked with over 500 secondary school students this year. We were involved in coaching NCEA Achievement Standards and assessing the students. We also delivered skills sessions to the school representative teams who took part in the Inter-School competitions organised by Badminton North Harbour and College Sport.

Due to the successful delivery of our badminton programme to schools, we have experienced significant interest in our other programmes such as School Holiday programme, After-school programmes and in our junior clubs.

## **After School Programmes:**

After School programmes continue to be hugely popular group for school aged children. We have had great success delivering

these programmes. They are being run at another venue, Glenfield College and together with our original locations at Harcourts Cooper & Co North Harbour Badminton Centre, Active Badminton Centre and Orewa Badminton Centre we are growing each year. Also, we will be providing these opportunities to Hobsonville Point School during Term 4.

## **Locations, Days and Times:**

*Harcourts Cooper & Co North Harbour Badminton*

Tuesdays and Thursdays from 3.30pm – 5 pm

*Active Badminton Centre*

Tuesdays from 3.30pm – 5 pm

*Orewa Badminton Hall*

Wednesdays from 4pm-5.30pm

*Glenfield College*

Fridays from 3.30pm- 5pm

*Hobsonville Point School*

Mondays from 3.30pm – 4.30pm

## **School Holiday Programme:**

The Badminton North Harbour Holiday programme provides a great environment for children to learn and progress in the world of badminton. It's a great way for children to have fun, learn new skills and meet new friends. This four half-day event is run as an incentive awards programme which allows players to get a gauge on their ability as they work towards badges. The skills required increase in difficulty as they move higher in their skill level to earn higher badges. This year we have seen consistently high numbers, having more than 35 children in each session. We were also able to help the AUT Millennium holiday programmes by running two hours sessions, which involved teaching their children basic skills and rules of badminton.

## **Beginner Badminton:**

Our Beginner Badminton course is always in a great demand. In this programme, basic techniques of badminton are being taught to children and adults. This course is suitable for beginners and to those who are looking to polish their skills. We ran one early this year with more than 15 students attending each group. We are going to run this again in October/November and have already reached capacity in the children's group. We are looking forward to seeing these new students.

*Badminton North Harbour is always thankful to have many coaches, sponsors and supporters involved in our organisation. Without them many programmes and events would not be possible.*

## New Zealand Community Trust Secondary School League 2018

150 Secondary School teams from 15 schools took to the courts this year in a range of grades from A to C (social). The increase of 6 teams from 2017 continues the trend of school age children wanting to play badminton. The social section in both senior and junior age groups is always the most popular with the greatest number of entries.

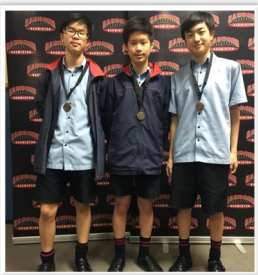

The senior competition with 87 teams was held in the second term. The Girls A grade entry was combined with the B grade due to lower numbers entering the A grade event this year. The Girls C grade was again very popular with over 19 teams entered. The boys' teams were run in separate A & B grades as the numbers in A grade continues to increase. B Grade was our biggest event for the boys with 24 teams registered. The boys C grade took place this year with five teams, after a 2017 absence. Teams who played in a combined grade were still awarded places for their respective grades in which they had entered.

The junior section, held in the third term, is smaller in team numbers than the seniors, however a good jump from 46 to 63 teams is projecting well for the future. The junior Boys A grade and B grade played as one grade because of the entry numbers, however were awarded medals in each grade. The Junior Girls A & B combined to make one large event while again, the C grade teams were plentiful in the girl's division to remain as being the most popular of the grades. Because of the entry numbers in both senior and junior B grade events, we were able to run two separate competitions; one at Badminton North Harbour and the other at Active Badminton.

Prize giving was held on the last Wednesday (girls) and Thursday (boys) of the school term where College Sport medals were awarded to the winners and runner up teams of each grade. This was followed by pizzas for all participants. Thank you to all teachers, parents, sport managers, sport coordinators and supporters who gave their time to make the Secondary School League a success.

## NEW ZEALAND COMMUNITY TRUST INTERMEDIATE SCHOOL LEAGUE 2018

The 2018 competition had 43 teams, an increase of eight from 2017. Each team consisted of 4-6 players per team, and the format was split into girls and boys, sections 1 & 2. # **BADMINTON NORTH HARBOUR (INC.) STATEMENT OF ACCOUNTING POLICIES**

**FOR THE YEAR ENDED 30 SEPTEMBER 2018**

## **REPORTING ENTITY**

Badminton North Harbour (Inc.) is an Incorporated Society incorporated under the Incorporated Societies Act 1908.

The financial statements of Badminton North Harbour (Inc.) are a special purpose statements based on the following accounting policies adopted by the Board and prepared for and used to report to members on the financial transactions and financial position of the society.

## **MEASUREMENT BASE**

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on a historical cost basis are followed by the entity.

## **SPECIFIC ACCOUNTING POLICIES**

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied.

## **GOODS AND SERVICES TAX**

The financial statements have been prepared on a GST exclusive basis (except for trade payables and receivables) and any tax owing at balance date is shown in the Statement of Financial Position. GST is accounted for on an invoice basis.

## **CASH**

The amount shown for cash and bank is the total of amounts held on current, call or savings account or in notes and coins for use in the day-to-day management of the society.

## **DEBTORS AND CREDITORS**

Debtors and creditors are recorded at estimated realisable value. Subsequent measurement is at amortised cost, meaning the present value of the expected future cash inflows or outflows.

## **STOCK**

The amount shown for stock is a total value of all goods held by the society for use or resale. These are recorded at the lower of cost, based upon the first in first out method, and net realisable value.

## **FIXED ASSETS AND DEPRECIATION**

Fixed Assets are stated at cost less accumulated depreciation. Depreciation has been based on the estimated useful life of the asset as assessed by the society. Fixed Assets are being depreciated at the following rates:

Buildings	2-10%	SL
Plant	10%	DV & SL
Internal Fittings	10%	DV & SL
Office Equipment	20%	DV & SL
Motor Vehicles	26%	DV

## **BADMINTON NORTH HARBOUR (INC.) STATEMENT OF ACCOUNTING POLICIES**

**FOR THE YEAR ENDED 30 SEPTEMBER 2018**

### **INCOME RECOGNITION**

The society is funded principally by fees received from court usage. Other income is received from sponsorships, donations and grants, Council contributions and sales of food, alcohol and badminton equipment.

All receipts are treated as income when received except where income is received in advance in which case it will be brought to account in the period to which it relates. Income contingent upon conditions to be met is only treated as income once the conditions have been satisfied.

A system exists for allocating the costs of hiring courts for a specific purpose to the individual cost centres to which they relate. This effectively results in internally generated income and expenditure of matching amounts being shown in the financial statements. In the current year this had the impact of grossing up revenue and expenditure by \$98,530 (2017-\$92,383)

### **TAXATION**

No income tax has been provided as the society has been granted an exemption from income tax due to its amateur sporting body status, under section CW46 of the Income Tax Act 2007.

### **INCOME IN ADVANCE**

Card holder funds represent a liability to the society as they are funds that patrons have added to their cards but not yet used. Amounts added to cards are recorded as income when the credits are used by booking court time.

### **BARTERCARD**

Bartercard credits shown in the Statement of Financial Position are recorded when transactions are recognised by Bartercard New Zealand Ltd as having been properly recorded and authorised. Bartercard liability disclosed on the Statement of Financial Position represents the net liability (after the sponsorship received) to Bartercard. The sponsorship received from Bartercard is recognised in the Statement of Financial Performance in the period it is related to.

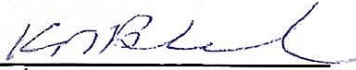

### **CHANGES IN ACCOUNTING POLICIES**

There have been no changes in accounting policy during the year.

In our opinion, the accompanying financial statements of the entity on pages 1 to 8, for the year ended 30 September 2018, are prepared, in all material respects, in accordance with the stated special purpose accounting policies.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We are independent of the entity in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Other than in our capacity as auditor we have no relationship with, or interests in the entity.

### Basis of accounting

Without modifying our opinion, we draw attention to the statement of accounting policies of the special purpose financial statements which describes the basis of accounting. The special purpose financial statements are prepared solely for the members of Badminton North Harbour Incorporated. As a result, the special purpose financial statements may not be suitable for another purpose.

## Other information

The board is responsible for the other information. The other information comprises the Registration Report, Historical Registration Summary, and Grants Summary presented on pages 9 to 11 (which does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of the board for the financial statements

The board is also responsible for determining that the stated special purpose accounting policies, are acceptable in the entity's circumstances.

In preparing the financial statements, the board is responsible, on behalf of the entity, for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (New Zealand) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements. A further description of the auditor's responsibilities for the audit of the financial statements is located at the XRB's website at:
