PRESIDENT'S REPORT

I have been struggling after the last few weeks to think of another Regional Sports Organisation that is as dominant at all levels in its own sport, nationally, as Badminton North Harbour. It seems that each week, over the last few months, we have been receiving updates as to the success of our players which has been, frankly, amazing this year. From our junior players who continue to excel (year by year) through the masters and veterans teams, senior division teams, and up to our Wisden and Slazenger teams, Badminton North Harbour seems to have completely dominated badminton in New Zealand, in 2019.

Obviously, credit must go to the players that are achieving these amazing results. They are the ones who are dedicating so much time to their practice and training and making themselves available to represent Badminton North Harbour. And represent us they do – in an amateur game, they conduct themselves professionally, responsibly, and with pride both for themselves and for Badminton North Harbour. We have had a number of incidences this year, where we have received extremely complementary comments about our players conduct and responsibility. This is heartening to us because it shows that our players have pride in themselves and our organisation and wish to represent Badminton North Harbour accordingly.

But of course, it is also necessary to recognise what happens to enable those players to be at those events, and to perform so well.

We have the volunteers who do so much work for the association, and for the players, to enable them to be so successful. This is particularly the case for our junior players, where we have parents, managers etc. who organise the players and the teams, ensure that they are where they need to be when they need to be for both practice and competition, provide transport, food, accommodation etc. all in the cause of our junior players' success. The time that the volunteers provide to us must never be forgotten and must always be appreciated and celebrated because there are so many other sports and community organisations who simply do not have the benefit of that support.

We have the coaches who continue to excel in bringing out the best in our players, at all levels. Fanny and her team have the skill and knowledge to prepare our players so well that they arrive at their competitions healthy, fit, and mentally prepared for the rigours of competition. I have no doubt that Fanny's international experience and knowledge is a huge factor in this success.

Our management team, under Glenn, manage and co-ordinate all of this and their knowledge, experience and drive for the association are a significant factor in our success. I think that it is a huge factor that our management team is all heavily invested in badminton, they have all been players, experienced different levels of the game, have often had children and/or family members who have been involved in the

game, and have a clear and deep understanding of how things work in the game of badminton, both within New Zealand and within the Badminton North Harbour territory. They constantly strive to put our players in the position where they have the opportunity to enjoy the game at whatever level they aspire to and work hard to provide the resources, facilities and personnel to achieve that.

The governance level of the organisation, you have a Board whose sole focus is to provide whatever Badminton North Harbour needs, to continue to succeed and, in fact, to continue to improve. Again, all of the Board members are heavily invested in the game of badminton, but they do not do the job for their own gain. They dedicate many hours of their own time, every year, to ensure that playing badminton at and for Badminton North Harbour is, and continues to be, the most amazing experience. The skills and the dedication of the members of the Board, to that end, must be appreciated and celebrated.

Of course, our biggest challenges remain our ability to access resources, particularly in two areas.

Finance is a constant issue, as the availability of funding for Regional Sports Organisations, and similar community organisations, becomes more and more difficult to access. Our aim is to always ensure that badminton is as accessible as possible. That means that we strive to keep the game affordable, on a player basis, which requires funding from alternative sources. Glenn and his team have done an amazing job again this year in sourcing great sponsorships, accessing community grants etc to keep our facilities and other resources at the highest possible level.

Our access to court time is our other huge challenge. As our sport continues to grow, particularly in our region, there is ever increasing demand for court time. That is a constant work on for Glenn's team and the Board and we can assure you that we are constantly exploring opportunities to acquire new or additional facilities and opportunities to enable us to cater for the ever increasing numbers of people who wish to participate in our amazing sport.

Congratulations on a fantastic season in 2019. Long we may continue to reign.

CHIEF EXECUTIVE'S REPORT

It's been another busy year for us all at Harbour Badminton. The two facilities we use continue to show an increase in bookings as well as organised programs and activities at satellite venues throughout the Harbour Region. Badminton North Harbour and Active Badminton continue to provide exceptional facilities for our badminton community to enjoy and they remain extremely busy year-round.

Badminton North Harbour would like to acknowledge our naming right partner Harcourts Cooper & Co whose support is truly exceptional. Harcourts Cooper & Co are a proactive community based real estate company who have tremendous presence within our Harbour region. They are at the forefront of sport in our area and contribute a vast amount to community sporting organisations. A huge thank you to Martin Cooper, Louisa Loughran and the Harcourts Cooper & Co team for all they do for us.

We have again seen a fantastic year results wise, with Harbour players and teams excelling internationally, nationally and domestically. Oscar Guo won the Men's Singles at the Oceania Championships in Melbourne and was part of the New Zealand team that included Abhinav Manota, Maika Phillips, Edward Lau, Dylan Soedjasa, Anona Pak, Alyssa Tagle and Justine Villegas. Several members of this team went on to represent New Zealand at the Sudirman Cup in Nanning, China. Edward Lau won the Oceania Junior Men's Singles and Shaunna Li won the Women's Singles at the same event. Josh Feng and Catelyn Rozario were also selected in the New Zealand junior team for the Oceania Championships. At the National Championships, Harbour players featured in all five titles this year, which is a truly remarkable feat.

In team's events, Harbour has had one of its most successful seasons. Our Wisden Cup team again featured on Sky TV and won the Yonex New Zealand Division 1 Team Championships. Our two teams in Division 2 (Slazenger Cup) finished 1st and 3rd which is simply outstanding. The team in Division 3 finished 2nd and our two teams in Division 5 finished 1st and 2nd respectively. In the Junior events our U19 team finished 1st, and our U17, U15 and U13's finished 2nd at the NZ Junior Team Championships. Our numbers in representative teams continues to grow, as do the development squads and school programs.

We have hosted a number of events this year including the Yonex North Harbour International back in March. A big thank you to Badminton Oceania and Badminton New Zealand for their support with this. Our tournaments this year have included a senior open, U13 and U17 open, as well as representative fixtures, domestic events and school leagues.

Badminton is really healthy on the North Shore and I would like to acknowledge firstly the Badminton North Harbour staff. Annabelle and all her tireless work in our office, Fanny and her team of amazing coaches, Lisa and her events team, Karen making sure everything adds up and our financials are in order, Justine with her team in the shop and bar, Mani ensuring all our children have the opportunity to play our sport and Neville keeping on top of the repairs and maintenance of our facility. They all contribute so much in their areas of expertise; we simply could not function as well as we do without these passionate Harbour Badminton people. To our

coaches, parents and volunteers, a massive thank you. It's fantastic that we have such a family culture at North Harbour and your involvement is appreciated by us all.

We continue to look at ways to provide pathways and opportunities to all players and the community as a whole. Upgrades to our facilities are high on our priority list ensuring we are operating a fit for purpose badminton venue. This year we have seen upgrades to some of our changing rooms and we hope to see a court upgrade in 2020 ensuring we provide an environment that everyone can enjoy.

One of the greatest challenges facing sporting codes, and in particular sporting venues, is that of funding and sponsorship assistance. I would like to take this opportunity to acknowledge those organisations that are so generous in their assistance to Badminton North Harbour.

Harcourts Cooper & Co, our naming sponsor, The New Zealand Community Trust, Foundation North, Pub Charity, NZ Racing Board, Four Winds, Roland Jeffery Physio, Broderick Print and Yonex. Thank you for all your support, it makes such a massive difference to us in ensuring we keep our sport affordable to all, provide a quality venue and offer an enjoyable experience. Also, a special mention to our Local Boards. Upper Harbour, Devonport Takapuna, Kaipatiki and Hibiscus Bays whose support with our venue is critical in Badminton North Harbour providing the quality facility we do, and these Boards are a key component to our hall and its progress. As a member association of Badminton New Zealand, we would like to thank this organisation for their support with our events and development. Equally important to Badminton North Harbour is the support we receive from Badminton Oceania, with a large emphasis on the North Harbour International.

To the Board of Badminton North Harbour: Chris Davis, Ross Barnett, Karen Blank, Kerrin Harrison, Kati Turver, Dorothy Callister, Mark Werman and Simon Joe, again as I do every year, thank you all for your support and proactive commitment to our organisation. Your assistance and guidance assist me to provide a quality facility and opportunities for all our badminton community. A special thanks to Karen Blank our Board chair for her tireless energy and support and Chris Davis our President for his guidance and encouragement.

We look forward to a great year in 2020 and already planning is under way for a number of key events. We will again feature the North Harbour International in March. Badminton New Zealand will host the NZ Open in May at the North Shore Events Centre with what promises to be another star studded field, and the BWF World Junior Championships in September and October in which we hope a number of our players will feature amongst the very best the world has to offer.

To our badminton community, we hope you have had an enjoyable year in whatever you have played in, and we thank you for your participation and passion. To our members and your families have a safe and happy Christmas period and we look forward to again providing you with Badminton in 2020.

Glenn Cox
Chief Executive

CHAIRPERSON'S REPORT

We are coming to the end of another successful year and given the results achieved in 2019 Badminton North Harbour can confidently claim to be one of the country's leading associations.

Not only do our facilities continue to be world class our representatives continue to dominate many age groups across the board winning domestic and New Zealand titles in a majority of divisions. These include Juniors, Division 1 (Wisden Cup), Division 2 (Slazenger Cup), Division 5, Masters and Veterans. It has been great to see many of our players proudly representing our association.

In addition to this our players have also won International titles and gained selection to represent New Zealand. These results have been achieved because of motivated players, amazing coaches, led by our Head Coach, Fanny Megahwati, supportive parents and a forward-thinking administrative office and Board.

Volunteers are the life blood of our Association. A big thank you to everyone who has assisted at tournaments, acted as court officials or helped with fundraising as well as those who work tirelessly to administer Badminton North Harbour clubs. I would encourage all members and supporters to make themselves available where possible to contribute to future association activities.

It is extremely important to the Board that we ensure that all players of whatever level have the opportunity to play the sport we love. This is only possible with the Board and Chief Executive, Glenn Cox working together to maintain sufficient funding to meet our commitments both short-term and long-term.

As in previous years it is well documented that we are struggling with the lack of courts at peak times. As part of Badminton North Harbour's new 2020 – 2024 Strategic Plan the Board are considering all options to ensure we can cater for the growing numbers in our sport. Regional councils all agree that there is a major shortage of indoor facilities on the North Shore and indeed all of Auckland. There have been studies completed with regards to existing facilities and how to progress and develop new initiatives. Badminton North Harbour

is involved in all of these discussions and we are hopeful of an outcome that can be achieved with all affected sports working together.

On behalf of the Board I would like to acknowledge our naming right partner Harcourts Cooper & Co and also all Trusts, Companies and Groups that have supported our Association throughout the year.

I would also like to thank our Chief Executive Glenn Cox and the dedicated staff at the Badminton North Harbour office. Their commitment, drive and passion ensure the smooth running of our organisation. A huge thank you to my fellow Board members for your support, knowledge, vision and expertise. It has been a privilege to have been part of such proactive Board.

Finally, I trust you all have an enjoyable and restful holiday break. I look forward to seeing everyone in 2020 fresh, invigorated and raring to go.

Karen Blank
Board Chair

COACHING MANAGER'S REPORT

This year North Harbour has had many good results from our junior, senior, and masters players. It is a great feeling to see everyone harvest what they had been working toward in training throughout the year.

Our Junior players managed to get good results consistently in 2019. Shaunna Li showed that she is the one of the best New Zealand female athletes, winning many tournaments she participated in. She took the titles of women's singles, national champion, was a member of the North Harbour 2 team that won the Slazenger Cup, picked up titles at the U17 and U19 opens and Yonex New Zealand National Championships. Due to personal reasons, she did not participate in World Junior in Kazan, Russia. Edward Lau has proved to be the top U19 player in every event. He attended the BWF World Junior Championships this year and managed to get to the third round before losing to the eventual men's singles champion, Kunlavut from Thailand.

For our U13 and U15 age groups, we are very proud of players like Lechuan Xiao and Lilian Cao who performed very well in age group opens and the Yonex New Zealand U13 National Championships. Lilian managed an upset win against her nemesis, Nanna Siegemund from Auckland in girls' singles with a three-game match. Lechuan came a credible runner up at the same event in boys' singles and boys' doubles.

In other team events, we also had favourable results. We won three runner-up, and one winner's title at the Yonex New Zealand Junior Team Championships in Palmerston North. At the inter-association level this year we managed to win both Wisden and Slazenger Cups. It was a tough final in both tournaments and our players, with their best effort, were able to overcome every opponent from the other associations in their draw. In Masters and Veterans, we also won the New Zealand title against Auckland teams in the final.

North Harbour player, Abhinav Manota is trying to qualify for the Tokyo Olympic Games 2020 in both singles and doubles, with Oliver Leydon-Davis from Waikato. He has been travelling since early 2019 to earn points toward this goal. He came runner-up in both singles and doubles at the Bulgarian Open. Abhinav will be training for six weeks in Denmark during November/December and competing in some tournaments while he is in Europe. We wish him all the best for his campaign.

Edward Lau, Joshua Feng, and Catelyn Rozario were selected by Badminton New Zealand to represent their country at the BWF World Junior Championships in Kazan, Russia. It was a good experience for them to compete with other top junior players from around the world.

Last, but not least, Edward Lau, Shaunna Li, Anna Ryu, Richard Lin and Farah Thien will be traveling to participate at the Singapore Youth International tournament from 18 – 24 November. They will continue their trip by travelling to Indonesia where they will attend an intensive 3-5 week training camp at the Djarum Club. It is good experience for them to have twice a day, six days a week training session in preparation for next year's tournaments.

Words are not enough to express my sincere thanks and appreciation to the coaches, parents, and staff who are involved in our process in order to achieve results and most importantly to build complete character in our players.

DEVELOPMENT OFFICER'S REPORT

After School Programmes:

The After School Programme continues to be a hugely popular group for school children. We have had great success delivering these programmes. Currently in Term Four we have received over 200 enrolments at three different locations which are, Harcourts Cooper & Co North Harbour Badminton Centre (2 sessions per week), Active Badminton Centre and Orewa Badminton Centre. We have delivered these sessions to over 1,000 children this year. The idea of the project is to get more children involved and trying out new sports throughout the year, where students can play after school hours and we look forward to seeing these young players again in 2020.

BWF Shuttle Time:

Badminton North Harbour has been involved in delivering the Badminton World Federation Shuttle Time programme to Primary, Intermediate and Secondary schools for over two years now. Shuttle Time lessons are designed to provide children with a positive image of badminton through many opportunities to have fun, engage with others and experience success.

It is a games-based programme that focusses on fundamental skills and is aligned with the New Zealand curriculum. The programme itself has a range of different options available, and programmes can also be developed to cater for a school's specific needs.

Beginner Badminton:

This is always a great event as we get to be involved with number of new children and adults helping them improve their badminton skills. In this course, basic techniques of badminton are being taught to the children as well as to adults. This course is suitable for beginners and to those who are looking to polish their skills. We ran one early this year with more than 15 students in each group.

Our next Beginner Badminton course is starting in February 2020. We are looking forward to seeing new students.

Holiday Programme:

The School Holiday Programme has always been a popular activity for children in the region, and a great feeder for those introduced to badminton through our school visits. It's a great way for children to have fun, learn new skills and meet new friends. It is a Badminton North Harbour incentive awards programme which allows players to get a gauge on their ability as they work towards badges that increase in difficulty as they progress with higher skills. This year we have seen consistently high numbers, having more than 32 children in each session.

Also, we were able to help AUT Millennium, Harbour Sport and Skids with their holiday programmes, which involved teaching their children basic skills and rules of badminton. It is positive to have other groups using badminton as part of their programmes.

Secondary School:

This year Badminton North Harbour worked with number of secondary schools. We managed to help with coaching and organising their senior teams that competed in the Secondary Schools League at Badminton North Harbour. We have had great success delivering sessions to over 400 students. We were involved in coaching NCEA Achievement Standards and assessing the students.

As a result of our programme delivery to the schools we have experienced significant interest in our other programmes such as

the School Holiday Programme, After School Programmes, and in our junior clubs.

Intermediate Schools:

Badminton North Harbour has worked with and run taster sessions & skills sessions in many Intermediate Schools this year. Also, we helped some of the schools to arrange their teams that competed in North Harbour's Intermediate School League. Following these visits many students took up the opportunities to be involved further Badminton North Harbour programmes. All the intermediate school pupils we have delivered sessions to had great potential and we look forward to working with these players next year.

Primary Schools:

Badminton North Harbour were able to deliver taster sessions, ranging between three to nine-week programmes to primary schools implementing the Shuttle Time programme. We were able to deliver a three-week programme to Beachhaven Primary School with more than 200 children having the chance to experience our sport. Other Primary schools involved with BNH were Kristin School, Campbells Bay, Pinehurst and many more. After our time at these schools it was great to see these juniors attending our Clubs, School Holiday Programmes and After School Programmes.

Badminton North Harbour is always so thankful to have many experienced coaches to assist in our development programmes. To all our sponsors and supporters, we thank you, as without them none of these would be possible.

Abhinav Manota
Development Officer

Yonex North Harbour International 2019

From 21-24 March, Badminton North Harbour hosted 130 players from 12 countries. This BWF Future Series Event had a prize pool of \$USD5,000.00 and an entry fee of \$NZD100.00. Trophies were supplied by Barclay Engravers and were designed in a similar theme to the 2018 trophies, keeping consistency over the years. On finals day, North Harbour hosted guests on court-side hospitality tables. All titles went to overseas players from China, Vietnam and Australia. Our special thanks go to our staff and volunteers who make the event such a successful one with their time and commitment.

North Harbour Open 2019

This tournament, from 17-19 May, was attended by 72 players, the same number as 2018. Due to the NZ Team playing away at the Sudirman Cup, the numbers could have been greater. North Harbour's perpetual trophies, as well as individual trophies were presented to the winners and runners up. Thank you to Badminton North Harbour staff and our very own volunteers for their time and experience in producing a successful event.

North Harbour U17 Open

The North Harbour U17 Open was held from 10-11 August and hosted 89 players from around the Northern Region and beyond. This is the largest junior tournament that North Harbour has hosted. The standard of badminton was very high during this event with finals being the exciting contest that it promised to be. North Harbour's Shaunna Li was very dominant winning the girls' singles, doubles and mixed doubles events.

North Harbour U13 Open

The North Harbour U13 Open was held from 22-23 June. The entry of 69 players was the largest entry we have had for this age group, showing the increasing numbers of juniors playing badminton. Championship winners, runners up and plate winners' received North Harbour medals and prize money. North Harbour's Lechuan Xiao won the boys doubles with his Auckland partner, Darren Wee.

Yonex NZ U19 National Championships

The YONEX New Zealand U19 National Championships was hosted by Badminton North Harbour from 26-28 October. This event had players from as far south as Canterbury and Nelson, with the majority from the Northern Region. North Harbour players featured in each of the five finals and won three of them. The event was a great success with players, coaches and spectators leaving with positive memories.

NORTH HARBOUR EVENT REPORT

Northern Region Local Derby – U13/U15 Boys Section

North Harbour was the host association for the U13 and boys’ sections of Local Derby held over Queens Birthday weekend from 1-2 June. The boys section had six teams from four associations, while the U13 competition saw 13 teams entered over two divisions. **The finals places were:**

Shuttletime Primary School Team Challenge 2019

The 2019 Primary Schools team event was held on Thursday 23 May and hosted 13 teams. The winning team for 2019 was Campbells Bay 1 with Mairanigi Bay runners up. The winning team were awarded the North Harbour Primary Schools Team Challenge Trophy and each team member of both teams received an individual trophy. In section 2, Campbells Bay 2 were the winning team with Kristin 3 coming second. Both teams received medals for each team member. This is a great way for schools that have had our Development Officer attend their school delivering the Shuttle Time programme to continue developing the skills that the children have learnt. Many children from this day’s play continue playing badminton at our school holiday programs, junior clubs and in North Harbour junior representative teams.

NORTH HARBOUR EVENT REPORT

New Zealand Community Trust Secondary School League 2019

120 Secondary School teams from 15 schools took to the courts this year in a range of grades from A to C (social). The steady number of teams continues the trend of school age children wanting to play badminton. The social section in both senior and junior age groups is always the most popular with the greatest number of entries.

The senior competition with 81 teams was held in term two. Because of the increased numbers in A Grade, these were stand-alone events in 2019. B Grade was again steady in numbers proving to be a popular section for many schools. The Girls C grade was again in hot demand with over 23 teams entered. The boys B grade was consistent with 18 teams registered. The boys C grade took place this year with six teams, an increase from 2018. The Active Badminton Centre was utilised for B Grade boys and girls teams whose schools are in the Northern part of the North Harbour area.

The junior section, held in the third term, is smaller in team numbers than the seniors, however a good jump from 46 to 63 teams is projecting well for the future. The junior Boys A grade and B grade played as one grade because of the entry numbers, however, were awarded medals in each grade. The Junior Girls A & B combined to make one large event while again, the C grade teams were plentiful in the girl's division to remain as being the most popular of the grades. Because of the entry numbers in both senior and junior B grade events, we were able to run two separate competitions; one at Badminton North Harbour and the other at Active Badminton.

Prize giving was held on the last Wednesday (girls) and Thursday (boys) of the school term where College Sport medals were awarded to the winners and runner up teams of each grade. This was followed by pizzas for all participants. Thank you to all teachers, parents, sport managers, sport coordinators and supporters who gave their time to make the Secondary School League a success.

Shuttle Time North Harbour Intermediate Badminton Zone Days 2019

There was a strong showing from eleven Intermediate Schools at this year’s North Harbour Intermediate School Zone Day Championships. The boys and girls event were held over two separate days due to the number of players wishing to participate. This competition is an individual event that showcases the talent of players in both singles and doubles events. The titles this year were shared between Murrays Bay Intermediate, Takapuna Normal Intermediate, Kristin School, Northcross Intermediate and Wairau Intermediate. This was a very successful competition that was enjoyed by students, teachers, parents and sport managers.

BADMINTON NORTH HARBOUR INCORPORATED STATEMENT OF ACCOUNTING POLICIES

FOR THE YEAR ENDED 30 SEPTEMBER 2019

1. REPORTING ENTITY

Badminton North Harbour Incorporated ("BNH") is an Incorporated Society registered in New Zealand under the Incorporated Societies Act 1908. (Incorporation number: 459164)

The financial statements of Badminton North Harbour (Inc.) are special purpose financial statements based on the following accounting policies adopted by the Board and prepared for and used to report to members on the financial transactions and financial position of the society. The Board has determined that the use of a special purpose framework is acceptable based on the limited readership of these financial statements.

BNH's primary function is to provide its members and the general public with a quality badminton facility and diverse range of badminton services and programmes. BNH strives to increase player participation, enjoyment and high achievement through sound business practice and a commitment to developing badminton.

BNH has 21 affiliated clubs with a total of 853 registered players.

2. MEASUREMENT BASE

The financial statements are prepared on the historical cost basis.

3. PRESENTATION CURRENCY

These financial statements are presented in New Zealand dollars (\$), rounded to the nearest dollar.

4. SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies set out below have been applied consistently to all periods presented in these financial statements.

A) GOODS AND SERVICES TAX

With the exception of trade payables and receivables, all items are stated exclusive of GST. Any GST owing at balance date is shown in the Statement of Financial Position. GST is accounted for on an invoice basis.

B) CASH

The amount shown for cash and bank is the total of amounts held on current, call or savings accounts, including petty cash and cash floats used in the day-to-day operations of BNH.

C) DEBTORS AND CREDITORS

Debtors are recorded at estimated realisable value, making allowance for any amount the Board and management consider are unlikely to be collected. Creditors are recorded at the amount BNH expects to pay to settle the debt. Where liabilities are known to exist at balance date but no invoice has been received, costs are accrued based on amount expected to be spent post balance date.

BADMINTON NORTH HARBOUR INCORPORATED STATEMENT OF ACCOUNTING POLICIES

FOR THE YEAR ENDED 30 SEPTEMBER 2019

D) STOCK

The amount shown for stock is a total value of all goods held by the society for use or resale, including badminton equipment, and food and beverages. These are recorded at the lower of cost, based upon the first-in first-out method, and net realisable value.

E) FIXED ASSETS

All Fixed Assets are measured at cost less accumulated depreciation. Any gain or loss on disposal of fixed assets (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in surplus or deficit. Assets created by BNH are capitalised at cost, including expenditure over the minimum threshold of \$500.

F) DEPRECIATION

Depreciation is charged based on the estimated useful life of an asset. The Board deem that these rates are a suitable proxy for estimating the depreciation and therefore the useful lives of the assets. The depreciation rates used are:

Asset	Rate	Method
Buildings	2-10%	SL
Plant	10-30%	DV & SL
Internal Fittings	10%	DV & SL
Office Equipment	20%	DV & SL
Motor Vehicles	26%	DV

G) INCOME RECOGNITION

The society is funded principally by fees received from court usage. Other income is received from sponsorships, donations and grants, Council contributions and sales of food, alcohol and badminton equipment.

i) Court Hire

Cardholders add funds to their card for court usage. Income is recognised when the court is utilised, or when a court booking has been cancelled after the minimum notice period expires.

ii) Player Revenue

This includes registration, representative, coaching, and training fees. Income is recognised in the period to which the fee relates, and any fees received before year end relating to the next financial year will be recorded in income in advance.

iii) Sales

This includes sales of badminton equipment through the Pro Shop, and sales of food and beverage through the bar. Income is recognised upon receipt as the transfer of ownership occurs at the point of sale.

iv) Grants, Donations, and Sponsorship

Income is recognised upon receipt for donations and sponsorship. Grant income which contain a use or return condition is contingent upon conditions being met. These grants are only treated as income once the conditions have been satisfied, and recognised in the corresponding period. Until these conditions are met, the funds are recorded as a liability.

BADMINTON NORTH HARBOUR (INC.) STATEMENT OF ACCOUNTING POLICIES

FOR THE YEAR ENDED 30 SEPTEMBER 2019

G) INCOME RECOGNITION (contd)

v) Internally Generated Revenue

A system exists for allocating the costs of hiring courts for a specific purpose to the individual cost centres to which they relate. This effectively results in internally generated income and expenditure of matching amounts being shown in the financial statements. In the current year this had the impact of grossing up revenue and expenditure by \$96,266 (2018: \$98,530)

H) TAXATION

No income tax has been provided as the society has been granted an exemption from income tax due to its amateur sporting body status, under section CW46 of the Income Tax Act 2007.

I) INCOME IN ADVANCE

Card holder funds represent a liability to the society as they are funds that patrons have added to their cards but not yet used. Amounts added to cards are recorded as income when the credits are used by booking court time.

J) BARTECARD

Bartercard credits shown in the Statement of Financial Position are recorded when transactions are recognised by Bartercard New Zealand Ltd as having been properly recorded and authorised. Bartercard liability disclosed on the Statement of Financial Position represents the net liability (after the sponsorship received) to Bartercard. The sponsorship received from Bartercard is recognised in the Statement of Financial Performance in the period it is related to.

5. CHANGES IN ACCOUNTING POLICY

There have been no changes in accounting policy during the year.

6. GOING CONCERN

These financial statements have been prepared under the assumption that BNH will continue to operate in the foreseeable future based on the expected ongoing support from grant funders and continued high level of usage from the community and local clubs.

Independent auditor's report To the members of Badminton North Harbour Incorporated

Opinion

We have audited the financial statements of Badminton North Harbour Incorporated (the entity), which comprise:

- The statement of financial position as at 30 September 2019;
- The statement of sources and application of funds for the year then ended;
- The statement of movements in equity for the year then ended;
- The statement of financial performance by cost centre for the year then ended;
- The statement of income and expenditure for the year then ended;
- The statement of accounting policies; and
- The notes to the financial statements.

In our opinion, the accompanying financial statements of the entity on pages 1 to 9 for the year ended 30 September 2019, are prepared, in all material respects, in accordance with the stated special purpose accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We are independent of the entity in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Other than in our capacity as auditor we have no relationship with, or interests in the entity.

Basis of accounting

Without modifying our opinion, we draw attention to the statement of accounting policies of the special purpose financial statements which describes the basis of accounting. The special purpose financial statements are prepared solely for the members of Badminton North Harbour Incorporated. As a result, the special purpose financial statements may not be suitable for another purpose.

Other information

The board is responsible for the other information. The other information consists of the narrative reports in the annual report and the Registration Report, Historical Registration Summary, and Grants Summary presented on pages 10 to 12 of the financial statements section of the annual report (which does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the board for the financial statements

The board is responsible on behalf of the entity, for the preparation of the financial statements in accordance with the stated special purpose accounting policies, and for such internal control as the board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The board is also responsible for determining that the stated special purpose accounting policies, are acceptable in the entity's circumstances.

In preparing the financial statements, the board is responsible, on behalf of the entity, for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (New Zealand) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements. A further description of the auditor's responsibilities for the audit of the financial statements is located at the XRB's website at:

https://xrb.govt.nz/Site/Auditing_Assurance_Standards/Current_Standards/Page8.aspx

Who we report to

This report is made solely to the members of Badminton North Harbour Incorporated, as a body. Our audit has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the entity and its members as a body, for our work, for this report, or for the opinions we have formed.
