

2025 INTERCLUB COMPETITION OVERVIEW

Interclub Starts Monday 4 August

There will be an A, B, & C mixed grade competition plus a separate Men's League. Clubs are to grade their own players. The success or otherwise of the competition is very reliant on clubs naming players in the correct grade. There is also the possibility of composite teams if clubs have excess players that they are unable to place in a team. BNH reserves the right to re-grade a player if they deem that player to be in the wrong team. The table below is a guideline to assist you with grading your players.

A Grade	Division 1-4, Masters 1, Masters 2, Top Vets 1 and U19 Rep's, Top U17 Rep's. Non Reps as graded by BNH
B Grade	Masters 3, Masters 4, top Masters 5 & Vets 1 & Vet's 2, Top Vet's 3, U17 & Top U15 Rep's. Non Reps as graded by BNH
C Grade	Masters 5 team & Vet's teams 3 & 4; Super Vets, U15 Rep's, Non Reps as graded by BNH
C Grade alternative	Non representatives who do not meet any of the above guidelines.

Upon receiving club entries and the draws have been made, Badminton North Harbour will advise clubs by email. The draws will also be posted on the Badminton North Harbour website under 'BNH Competitions'.
