- e) To enter this competition, you must be a registered member of Badminton North Harbour (club member/representative)
- f) Players must indicate their grade on the online entry where asked based on the criteria below. Badminton North Harbour reserves the right to re-grade a player if deemed necessary.

- i) **Competition Results: BWF Ranking for Events Played under the Pool System**  
*As recommended by BNZ for all individual events played under a Round Robin format*
  - i. Ranking will be established by the number of matches won
  - ii. If two players/pairs have won the same number of matches, the winner of the match between them will be ranked higher
  - iii. If three or more players/pairs have won the same number of matches ranking will be decided by the difference between total games won and total games lost, with greater difference ranked higher. If this leaves two players/pairs equal, ranking will be decided by the result of the match between them.
  - iv. If three or more players/pairs have won the same number of matches and are equal in the difference between total games won and total games lost, ranking will be established by the difference between total points won and total points lost, with greater difference ranked higher. If this still leaves two players/pairs equal, ranking will be decided by the result of the match between them.
  - v. If three or more players/pairs are still equal, then ranking will be established by drawing lots
